

Advertise your business, for LESS than £7.00 a month!

Dear **Potential** Advertiser,

Christian Pages™, (CP) (which has now been operating for almost **twenty** years in various formats). To advertise simply complete your details on the order form, and return to us, along with your full payment. You will also notice that we have now added an option to have up to three cross references categories (should you require them).

At **CP** we already have a very large database of Christian Businesses. However, we often get asked for businesses in local areas, which although we are sure exist, they are not yet registered with us, and therefore we are unable to help them, by giving them **your** details.

We know from the various forms of feedback that we have been receiving, that in general, and where possible, Christians prefer to use a Christian business. Premier Christian Radio receives around **50** calls **every week** on their lifeline, asking for details about Christian businesses, and as our 'partners' they all get referred to **CP**.

In addition, our Web-Site currently receives many more UNIQUE visitors every day.

*We also now run two brand new 'sister' websites, which are also directing people to **CP**.
www.christianchurches.co.uk – a listing of nearly 10,000 Christian churches around the UK,
and www.christianbookshops.info – a listing of over 500 Christian Bookshops around the UK.

According to a recent survey, around 80% of the UK's population already have regularly access to the World Wide Web. By registering your business with **Christian Pages™**, you will enable more people to find out about you and your business. You and all your relevant business details, (including a FREE link to your own *website) can be listed on our website for 12 months for the special price of less than £7.00 a month (+vat).

Just think, how few orders your business will have to receive to cover this cost?

F.A.Q.'s

***Do I/we need to already have a Web-site?** No. **Christian Pages™** will enable all your relevant details to be listed on our national Web-site.

***What if I/we already have my/our own Web-Site?** That is even better, as we can provide a FREE direct link from our website to yours, as well as listing all your details.

Finally, if you have any questions at all, please do not hesitate to contact us. Alternatively, you can check out our website for further details, where you will also find some of the testimonies we have received from other, very satisfied, Christian businesses.
